

***European College Resident in Ophthalmology***

**Bristol Veterinary School, Bristol/Langford**

£18,277 + £3,400 out of hours supplement per annum

Full time

**Application Closing date: 19<sup>th</sup> November 2017 at 23:59**

This is a Residency position in a training programme approved by the European College of Veterinary Ophthalmology and lasting 3 years, subject to satisfactory annual review of progress. You will be part of the ophthalmology team within the small animal and equine hospitals and will receive training in all aspects of Veterinary Ophthalmology. You will be expected to study for the ECVO diploma in Veterinary Ophthalmology. Residents will be involved in clinical work and clinical research and will be expected to submit for publication manuscripts based on their research work during the programme. The MSc in Veterinary Science will develop your clinical research skills and enhance universally important skills such as scientific writing, critical reading and statistical analysis of data.

The Resident will be expected to undertake informal group teaching of undergraduate students undertaking rotations and a small amount of formal teaching. The position carries responsibilities for out of hours duties on a shared (usually 1:4) basis.

You must be a member (or eligible to become a member) of the Royal College of Veterinary Surgeons with 1 year in a recognized internship. You must satisfy the English Language requirements for the Masters in Veterinary Science program (<http://www.bristol.ac.uk/study/language-requirements/profile-a/>).
