

Maternity cover locum at Davies Veterinary Specialists, Hertfordshire, UK

We are looking for an ophthalmologist (Board certified or eligible) for maternity cover at our practice from July 2018. Davies Vet Specialists (www.vetspecialists.co.uk) is a multi-disciplinary practice employing around 170 staff across 11 speciality disciplines (anaesthesia, cardiology, dermatology, diagnostic imaging, internal medicine, neurology, oncology, ophthalmology, orthopaedic surgery, physiotherapy, soft tissue surgery). We are located in Hertfordshire, around 30miles from central London.

Our ophthalmology service comprises 3 ECVO Diplomates and 2 ECVO residents plus an ophthalmology intern. We are quite flexible with respect to dates- in August we are particularly short-staffed due to holidays, but locum cover from July into early next year would be welcome. We would supply accommodation.
